Odoo specialist with 15+ implementations across retail, distribution, POS, manufacturing, and finance — Singapore and Indonesia markets. Bridges stakeholders and developers through the full delivery cycle: requirements, customization analysis, UAT, and go-live. Background in architecture and environmental psychology brings structured, spatial thinking to complex ERP problems.

EXPERIENCE

Odoo Techno-Functional Consultant

MCCOY PTE LTD · SINGAPORE

Apr 2025 — Present

- Delivering functional support for optical retail ERP, B2B distribution (Odoo 17), and support workflow improvement projects.
- Producing FSD, UAT/SIT scripts, access control matrices, and developer task breakdowns from raw business requirements.
- Validating custom addons, approval routing, XML views, and CRM-to-quotation pipeline behavior.

Freelance Odoo Consultant

SELF-EMPLOYED · INDONESIA

Oct 2024 — Present

- Customized Odoo 17 Enterprise POS covering loyalty, birthday discounts, partial payments, and custom receipt behavior.
- Resolved Docker, cron job, and external API integration issues — produced remediation plans to restore dev stability.

Business Analyst / ERP Consultant

M+ SOFTWARE · INDONESIA

Oct 2024 — Apr 2025

- Led requirements analysis and process mapping for retail, distribution, warehouse, and finance ERP implementations.
- Maintained alignment between approved scope and developer output across multiple active projects.

Middle Odoo Functional Consultant

PT ARKANA SOLUSI DIGITAL · INDONESIA

Jan 2023 — Oct 2024

- Configured Odoo across CRM, Sales, Purchase, Inventory, Accounting, Manufacturing, and POS for diverse client industries.
- Produced UAT scripts, process flows, and user training materials; coordinated go-live readiness.

Project Manager / Odoo ERP Consultant

PT ARKANA SOLUSI DIGITAL · INDONESIA

Mar 2021 — Dec 2022

- Managed full-cycle ERP implementations from requirements through deployment and post-go-live hypercare.
- Trained 10–15 end-users per engagement; reduced manual process dependency and improved adoption.
